

You will always be my grandma
no matter where I go.

No matter years that pass,
or how big or tall I grow.

Today I take my little hand
and place it in your heart.

So little me and you
will never be apart.

OUMA & OUPADAG

You will always be my grandpa
no matter where I go.

No matter years that pass,
or how big or tall I grow.

Today I take my little hand
and place it in your heart.

So little me and you
will never be apart.
